

32 Thoughts you've had while living in your sorority house

Living in. One of the best, yet most challenging experiences a sorority girl can have. This past school year, I was given the opportunity to live with 70+ of my sorority sisters. Eagerly, I took it. As sophomore year comes to an end, I sit here reflecting on what its been like living in this crazy house. If you have experienced living in your sorority house, or plan on it in the future, it is more than likely you will share some of the same thoughts I have had. Here is an inside look on what it was like...

1. **Who's parked in my spot? You know its not your spot so why would you park there? WHY?!**
2. **I wonder what's on the menu for this week?**
3. **I see chicken is on there 5 times, lovely.**
4. **Why are they serving us this? is it even edible? Oh well, I'll sign up for a late plate incase I get desperate.**
5. **Pizza for the weekend... again... seriously...?**
6. **WHY WONT THE WIFI WORK? This house is a prison.**
7. **The washer/dryers are done come get your clothes, my laundry is more important than yours.**
8. **I wonder if anyone has ___ I can I borrow...?**
9. **Has anyone seen my ___ ...? I bet someone stole it.**
10. **Who set off the alarm?**
11. **Can you all keep it down? Its quiet hours!**
12. **There really is no such thing as quiet hours in this house, is there?**
13. **Seriously who is screaming?**
14. **She is ALWAYS studying... maybe I should start studying more.**
15. **I guess knocking is no longer necessary when entering someone else's room.**
16. **UGH, who took my charger? I left it right there.**
17. **Where did all the snacks go... its not even halfway through the week.**
18. **I guess I'll sign up for formal meal so I can eat dinner tonight. I'll just throw a t-shirt dress over my sports bra.**
19. **Why is the bathroom such a long walk from my room...? Whatever, I'll hold it.**
20. **Great, there is a man on 2, which means I have to put pants and a bra on. Life is unfair.**
21. **I wonder if my package is here. I'll just check the mail room every 30 minutes.**
22. **How are girls this gross? Clean up after yourself you are 20 years old.**
23. **Our house mom and housekeeper came straight from Heaven, I'm sure of it.**
24. **I don't have my key fob; I hope someone can let me in.**
25. **Looks like she had a fun night last night... I need to get a social life.**
26. **Will someone go get food with me?**
27. **My room is so messy... Oh well, I'll clean it tomorrow.**
28. **I wonder who's in the stall next to me, maybe I can figure out by their toenail polish.**
29. **How dare someone take MY shower. Everyone knows that's the one I always shower in.**
30. **Am I lazy if I don't go to chapter since all I have to do is walk downstairs...?**

31. I wonder if I can convince someone to drive me to class.

32. I'm so ready to move out of this house... but at the same time I'm not because I know that I'll secretly miss it.

One of the greatest decisions I have made in college so far was to live in my sorority house. Not many people get to say they experienced living in a sorority house, so I will never take the opportunity I was given for granted. Living-in has helped me build friendships with girls I would have never expected to become close with and it has given me a lifetime of memories I will never forget. If you get the chance to live in your sorority house, take it. I promise you will not regret it.
